00:20	**Host explains speed networking.**		
	‹ Introduce how speed networking will work and instructions that attendees need to follow (e.g. accepting/clicking link to the room and then following it back again) + what happens if they get lost or lose connectivity, or get the same person twice! – this should not happen as Zoom will randomly put them in the rooms. ‹ Also write instructions in the chat		
00:25	**Breakout room 1** Speed networking first groupings (4 people per group x 15mins)
