On the cover:
'Frijol Pinto' by Fraser Simpson (UCL Biology),
from the 2006/2007 UCL Graduate School
Research Images Competition

We are:

- a world-class centre of research and teaching, dedicated to developing and disseminating original knowledge to benefit the world of the future.

We believe:

- in engaging fully with the world around us
- in breaking new ground through challenging convention
- in progress through partnership.

We value:

- creativity and innovation
- independent thought
- integrity
- energy
- perseverance.

We are committed:

- to the pursuit of excellence and sustainability
- to maintaining rich academic diversity embracing the arts and sciences
- to equality of opportunity and fulfilment of potential for all our staff and students.

We strive always:

- to lead
- to inspire
- to achieve.
