123.1. Dr Michael Spence, President  
to Council.

123.2. The following points were raised in discussion:

- a. The Provost agreed to confirm whether the voluntary resignation scheme offered to UCL security staff was on equivalent terms to that offered to UCL employees.
- b. A member of Council stated that they had been receiving email correspondence of concern directly from the I

security services: the Provost agreed to investigate with Security.

- c. The Provost informed Council that a joint statement was due to be received from Unison and Bidvest Noonan in connection with the transformation of security services which would be shared with Council.
- d. Council noted that the context of any branding changes as an outcome of the integration of the School of Slavonic and East European Studies  
in the approach to bicentenary celebrations.
- e. Responding to a question from Council concerning any increased expenditure connected to the provision of mental health support, the Provost confirmed to Council that staff numbers in Student Services were being increased (23.3 FTE for Disability Mental Health and Wellbeing and 8 FTE in Student Psychological Counselling Services) from the start of the forthcoming academic year.

123.3.

- b. Since distribution of the Report to Council, the Director of Workplace Health informed Council that funding had been secured to support staff mental health awareness and the work of the Mental Health Feedback group.
- c. Provost reported to Council a recent incident in the School of Pharmacy. As a result a process was underway to investigate notification systems: Council would be provided further information in its next Workplace Health and Safety Report.

127.3. Council noted the Workplace Health and Safety Report.
