Any use that falls outside of these definitions is prohibited and may lead to ULL disciplinary procedures being invoked, with penalties that could include suspension from the use of all ULL computing facilities for extended periods. Serious cases may lead to disciplinary action, up to and including dismissal without notice and may expose you to court proceedings attracting both or initial and civil liability. You will be held responsible for any dains brought against ULL and any legal action to which ULL is, or might be, exposed as a result of your unauthorized use.

3 Regulations

a respect the copyright of all materials and software that are made available by ULL service provides and third parties for authorized use;

Uses must not make, run or use unlicensed copies of software or data. They should only download data or datasets where they are explicitly permitted to do so. They must abide by the User Admowledgement of Third Party Rights, the terms of the JBC Model Licences (see

), Copyright Law (Copyright, Designs and Patents Act 1989) and by any specific conditions of use imposed by the owners or suppliers of software or data. In particular users should be aware that, unless otherwise stated, software and datasets provided by ULLshould only be used for ULLedurational purposes.

- b familiaizethenselves with and comply with the requirements of the Data Protection Act and UCL policy, most especially the obligation to notify UCL's Data Protection Officer of any relevant data holdings (see
- c complywiththeComputerMisuseAct 1990whichmakes activities such as hading orthodolic introduction of viruses and other malware activities such as hading

- d have the written approval of their Head of Department where activities which might be subject to legislation are carried out in pursuit of legitimate, approved a cademic research (for example, work in a dwing the use of images which may be considered observe or in the carried and introduced in the carried and in t
- e takeal reasonable precautions to prevent the introduction of any virus, worm, Trojan Huse or other hamful program to any computer; file or soft& o, o

Sea.

)

n interrupt teachingsessions when a duster room has been boded for this purpose

UL does not tolerate discrimination or harasment in any form what sever: This principle extents to any information distributed via any ULL T system or via the Internet. You may not store on or transmit from any system any material which discriminates or encourages discrimination or harasment on racial crethnic grounds or on grounds of gentler; sexual orientation, marital status, age, ethnic origin, ordour;

Trischament has been approved by UC's Information Risk Governance
Committee

The endment form signed by sturberts explicitly birds them to abide by UL. Regulations, of which this document forms apart. UL staff are also obliged to abide by these regulations as a condition of employment. Uses of IT services who are reither staff nor sturberts are required to complete a registration form which birds them to abide by these regulations.

Inal cases the act of registering as a user of the Information Systems facilities or making use of any of the III facilities implies acceptance of conditions of use and compliance with regulations, relevant Acts of Parliament and European Union law and directives

From time to time UC may issue good practice guidelines and reserves the right to with drawnet workservices to systems or services that are not operated in accordance with those guidelines

Additional regulations covering the correcting of equipment to the UCL network are given in the following document:
